About Company

Reliable Diagnostic Centre is a leading chain of pathology laboratories in India having quality accreditation Such as NABL and NABH in the group.

Reliable Diagnostic Centre was established in 2004 as a referral histopathology and Cytology centre catering to laboratory and hospitals. In 2008 a complete diagnostic facility was launched. Since then, we have been constantly evolving, innovating, collaborating, and broadening our scope of work to meet the dynamic needs of our clinicians, patients and the clients we serve.

We are sincerely striving to establish RDC as the most advanced diagnostic centre which fully caters to end- to-end needs of our clients.

Vision & Mission

The aim and Objectives of this center is to provide QUALITY DIAGNOSTIC SERVICES at affordable price with stress on both accuracy and precision with MINIMUM TURN AROUND TIME to guide clinicians through patient care.

■ Vision

Our vision is to make Pathologist and Microbiologist part of treating team so that patient is benefitted the most by continuous mutual interaction with Clinician and change the present scenario by which diagnostic facilities are functioning.

■ Mission

Our Motto is to deliver "Best Quality and Reliable result at Affordable cost at your door step".
